

turbo::Drawable

```
graph BT; turbo::Text --> turbo::Drawable
```

A UML class diagram illustrating inheritance. The class `turbo::Text` is shown as a gray-shaded box at the bottom, and the class `turbo::Drawable` is shown as a white box at the top. A solid blue arrow points from the bottom of the `turbo::Text` box to the bottom of the `turbo::Drawable` box, indicating that `turbo::Text` inherits from `turbo::Drawable`.

turbo::Text
