

turbo::Component

```
classDiagram
    class turbo_component_simple_control["turbo::component::Simple Control"]
    class turbo_component["turbo::Component"]
    turbo_component_simple_control --|> turbo_component
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled "turbo::component::Simple Control". A vertical blue arrow points upwards from this box to a white box at the top labeled "turbo::Component". This indicates that "turbo::component::Simple Control" inherits from "turbo::Component".
